TERMS OF THIS PUBLIC AUCTION SALE

This is a public Auction sale and bidders unknown to me are requested to give bank or other reliable reference or their bids cannot be executed. Auction sales are strictly for cash. Your bids are as binding as any contract, so do not bid unless you are sure you can pay for what you bid on. No claims will be allowed unless same are made promptly. The cataloguer has endeavored to describe all coins fairly and to mention any defects.

Coins and medals, &c., are sold at so much per piece. If there are 3 pieces in a lot and you wish to bid \$4.50 for the lot then bid \$1.50 for each &c. A 5 percent charge will be made for packing & shipping on any coins purchased. Send your remittance by money order New York or Boston draft as checks sent by parties unknown to me would have to be verified.

Send in your bids on receipt of catalogue as many bids have to be entered and it is always to the advantage of the bidder to send his bid in at once. In my last sale some bids came in too late and could not be executed.

Do not bid less than the bullion value of silver and gold coins. A silver coin is always worth its bullion value and considerable over this as a rule, and gold coins dollar for dollar. All coins are guaranteed genuine in this sale.

COLLECTIONS OR DUPLICATES OF COLLECTORS SOLICITED FOR SALE OR PUBLIC AUCTION

My mailing list contains nearly 1000 active collectors. There will be a distribution of nearly 1200 catalogues. Send in any coins you may have for sale now for my September sale and you will find results will be satisfactory. Best of references furnished on request. My business has been established over 25 years and am ready to sell collections large or small. Terms on application. May I be favored with your patronage?
